Blessed is the man that trusts in the Lord, and whose hope the Lord is. For he shall be as a tree planted by the waters, and that spreads out her roots by the river, and shall not see when heat comes, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit .

Jeremiah 17:7&8

Pictures Needed

Pictures are needed for the yearbook. Any pictures from field trips (Epic Fun Night, Spirit Week, Golf Tournament, classroom projects & parties, etc.) **Please**, send them to Mrs. Kite (tracy.kite@live.com) OR bring them to the office to be downloaded to our computer. Yearbook pictures need to be at a high resolution. Normally, Smart Phone/ iPhone cameras do not have the quality needed to stretch the pictures. Please put your picture resolution on high. Consider using that digital camera that is sitting on your shelf.

Here's this week's thought…

This is the overall 2019 Academic test score results for District 60, 70 and Trinity.

The district information is based on their top school. Please remember that district schools use the Colorado ONLY test. Their results do not compare the students to the other states.

Trinity's Academic test scores are based on the National Percentile.

Please confirm your address on the monthly statement you receive. Pre-Registration for next school year will begin soon! Remember there is a $1,000 tuition credit given when you refer a new student to Trinity and they decide to attend our school.

Think about this…

First, let us clarify last week's numbers. The hours per school year were based on Elementary ONLY due to the varying hours given by the middle schools on the internet.

Trinity does have a middle school; but we were trying to be accurate with our analysis.
